

## DOCKET NO. 3:12-cv-00426-MOC-DSC

Plaintiff,

ORDER

Defendants.

The court, therefore, finds that the Judgment Debtors have had a reasonable opportunity to assert the exemptions provided by law and that the Judgment Debtors' failure to respond is a waiver of their respective rights to have property set aside as exempt from the execution of the Judgment in this case.

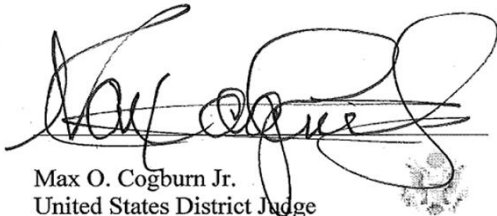

## **ORDER**

**IT IS, THEREFORE, ORDERED** that plaintiffs' Motions for Final Execution and Order to Preclude Exempt Property Rights (#17 & #18) are ALLOWED, and

(1) Judgment Debtors Douglas R. Miles, Linda P. Miles, D. Michael Miles, and Tracie W. Miles, are precluded from having any of their property set aside as exempt from Judgment in this case; and

(2) an ORDER OF FINAL EXECUTION be issued by the Clerk of this Court for the collection of the judgment in this case against the following Judgment Debtors: Douglas R. Miles, Linda P. Miles, D. Michael Miles, and Tracie W. Miles.
